Portal Name: Teams Portal

Change Request #: 6890

Date of Request: 02/09/2023

Requested By: Abdirahman Yusuf

Change Request Description:

Please action the below request as

TR-22443 is the finalized application. Please update the property boundary as per the survey drawing matching the ground plan building and release application TR-39211 as per the survey drawing mentioned. Both applications' coordinates are updated in the portal.

Reasons for this Change Request:

The above Tr was incorrectly registered and finished at the wrong location. The new location has been approved by the District head of planning & all required info is provided.

Approval Signature(s) and Date(s):

2nd September 2023
